PROXY STATEMENT

GENERAL INFORMATION ABOUT THE SOLICITATION

We are sending you these proxy materials in connection with the solicitation by the Board of Directors of Bay Resources Ltd (OTCBB: BYRE) of proxies to be used at Bay Resources Annual Meeting of Stockholders to be held on March 8, 2006, and at any adjournment or postponement of the Meeting. "We", "our", "us" and the "Company" all refer to Bay Resources. The proxy materials are first being mailed on or about February 6, 2006.

Who may vote

You will only be entitled to vote at the Annual Meeting if our records show that you held your shares on January 30, 2006. At the close of business on January 3, 2006, a total of 16,714,130 shares of our common stock were outstanding and entitled to vote. Each share of common stock has one vote.

How to vote

If your shares are held by a broker, bank or other nominee, it will send you instructions that you must follow to have your shares voted at the Annual Meeting. If you hold your shares in your own name as a record holder, you may instruct the proxy agents how to vote your shares as described below.

Vote by mail

If you choose to vote by facsimile or mail, simply mark your proxy, date and sign it, and return it to us in the envelope provided. If the envelope is missing, please mail your completed proxy card to Bay Resources, PO Box 6315 St Kilda Road Central Melbourne Victoria 8008 Australia.

Voting at the Annual Meeting

The method by which you vote will not limit your right to vote at the Annual Meeting if you decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting. If you sign and return your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

How to revoke your proxy

You may revoke your proxy at any time before it is voted. If you are a record stockholder, you may revoke your proxy in any of the following ways:

- by giving notice of revocation at the Annual Meeting.
- by timely delivery of written instruction revoking your proxy to the Secretary of Bay Resources , PO Box 6315 St Kilda Road Central Melbourne Victoria 8008 Australia.
- by voting in person at the Annual Meeting.

How votes will be counted

The Annual Meeting will be held if a quorum, consisting of a majority of the outstanding shares of common stock entitled to vote, is represented at the Meeting. If you have returned a valid proxy or are a record holder and attend the Meeting in person, your shares will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters introduced. Abstentions and broker "non-votes" are also counted in determining whether a quorum is present. A "broker non vote" occurs when a broker, bank or nominee that holds shares for a beneficial owner does not vote on a particular proposal because it does not have discretionary voting power for that proposal and has not received voting instructions from the beneficial owner.

If a quorum is not present at the Annual Meeting, a majority of the shares present, in person or by proxy, has the power to adjourn the Meeting from time to time until a quorum is present. Other than announcing at the Annual Meeting the time and place of the adjourned Meeting, no notice of the adjournment will be given to stockholders unless required because of the length of the adjournment.

Directors will be elected by a plurality of the votes cast.

The approval of the change of the Company's name requires the affirmative vote of a majority of the issued and outstanding shares of common stock.

Abstentions and broker "non-votes" are not counted in the election of directors or the approval of any other matter.

Votes that are withheld or shares that are not voted will have the effect of a no vote on the proposal to approve a change of the Company's name.

List of stockholders

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Meeting for any purpose germane to the Meeting, between the hours of 9.00 a.m. and 5.00 p.m., at our principal executive offices at Level 8, 580 St Kilda Road Melbourne Victoria 3004 Australia.

Cost of this proxy solicitation

We will pay the cost of preparing, assembling and mailing the notice of meeting, proxy statement and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies. We may reimburse such persons for their expenses incurred in connection with these activities.

PROPOSAL 1

ELECTION OF DIRECTORS

General

Our By-laws provide that the number of Directors of the Company initially shall be six and that the number of directors which shall thereafter constitute the whole Board shall be determined by the Board of Directors. The Board has determined that the number of Directors constituting the whole Board shall be four.

Directors need not be stockholders of the Company or residents of the State of Delaware. Directors are elected for an annual term and generally hold office until the next Directors have been duly elected and qualified. Directors may receive compensation for their services as determined by the Board of Directors. A vacancy on the Board may be filled by the remaining Directors even though less than a quorum remains. A Director appointed to fill a vacancy remains a Director until his successor is elected by the Stockholders at the next annual meeting of Shareholder or until a special meeting is called to elect Directors.

Our Board of Directors currently has four members who hold office for a period of one year.

Your proxy will be voted FOR the election of the four nominees named below, unless you withhold authority to vote for any or all of the nominees. Management has no reason to believe that a nominee will be unwilling or unable to serve as a director. Board, Audit Committee and Remuneration Committee Meetings

Our Board of Directors consists of four members, of whom two have been, and continue to be, independent under applicable regulations. During fiscal 2005, our Board of Directors met three times. The Board of Directors also uses resolutions in writing to deal with certain matters and during fiscal 2005, five resolutions in writing were signed by all Directors.

We do not have a nominating committee. Historically our entire Board has selected nominees for election as directors. The Board believes this process has worked well thus far particularly

since it has been the Board's practice to require unanimity of Board members with respect to the selection of director nominees. In determining whether to elect a director or to nominate any person for election by our stockholders, the Board assesses the appropriate size of the Board of Directors, consistent with our bylaws, and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates to fill each vacancy. Candidates may come to the attention of the Board through a variety of sources, including from current members of the Board, stockholders, or other persons. The Board of Directors has not yet had the occasion to, but will, consider properly submitted proposed nominations by stockholders who are not directors, officers, or employees of Bay Resources on the same basis as candidates proposed by any other person. Stockholders can make proposals as provided below under the caption "Requirements, Including Deadlines, for Submission of Stockholder Proposals and Nominations of Directors."

Audit Committee:

Dr David Tyrwhitt and Mr. Mordechai Gutnick constitute our Audit Committee. It is the opinion of the Board of Directors that each of them is an independent director as defined in Rule 10A-3 of the Securities Exchange Act of 1934. In addition, the Board believes that Mr Tyrwhitt would meet the director independence requirements of the Nasdaq Stock Market if we were listed on such Market, but that Mr. Mordechai Gutnick would not meet such Nasdaq independence requirements in light of his family relationship with Mr. Joseph Gutnick who is our Chief Executive Officer. Our Audit Committee does not include a "financial expert" as defined in Item 401 (e) of Regulation S-B. The Company only has two independent Directors and neither of these independent Directors has a finance background. The Audit Committee met once during fiscal 2005 and the Chair of the Audit Committee met with the external auditors on three occasions during fiscal 2005 in respect to quarterly reports prior to the reports being filed..

The Board's current written charter for its Audit Committee is a statement attached as Annex A to this proxy statement.

Code of Ethics

We have adopted a Code of Conduct and Ethics and it applies to all Directors, Officers and employees. A copy of the Code of Conduct and Ethics is posted on our website and we will provide a copy to any person without charge. If you require a copy, you can download it from our website or alternatively, contact us by facsimile or email and we will send you a copy.

Report of the Audit Committee

Management is responsible for Bay Resources' financial reporting process, including its system of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. Bay Resources' independent auditors are responsible for auditing those financial statements.

In performing our oversight duties we rely on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States. We also rely on the representations of the independent auditors included in their report on Bay Resources' financial statements.

Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures. Furthermore, our contacts with management and the independent auditors do not assure that:

- Bay Resources' financial statements are presented in accordance with generally accepted accounting principles,
- the audit of Bay Resources' financial statements has been carried out in accordance with generally accepted auditing standards or
- Bay Resources' independent accountants are in fact "independent."

In connection with the inclusion of the audited financial statements in Bay Resources' 2005 annual report on Form 10-KSB, the Audit Committee:

- reviewed and discussed the audited financial statements with management,
- discussed with our independent auditors the materials required to be discussed by SAS 61,
- reviewed the written disclosures and the letter from our independent auditors required by Independent Standards Board Standard No. 1 and discussed with our independent auditors their independence, and
- based on the foregoing review and discussion, recommended to the Board of Directors that the audited financial statements be included in Bay Resources' 2005 annual report on form 10-KSB.

David S Tyrwhitt, Audit Committee Chairman
Mordechai Gutnick, Audit Committee Member

Remuneration Committee

The Board has a Remuneration Committee comprised of two independent directors. During fiscal 2005, the Remuneration Committee met once. During the year, the Remuneration Committee reviewed employment agreements and salary levels of our executive officers were considered.
